

## **Launch of the Official Website for the Akita Floating Offshore Wind Demonstration Project**

May,16,2025

Marubeni Offshore Wind Development Corporation

We are pleased to announce the launch of the official website for the "Akita Floating Offshore Wind Demonstration Project" in which our company is participating.

The website will provide up-to-date information on the project overview, progress reports, and other related updates. We encourage you to visit the site.

We appreciate your continued understanding and support.
